

BLUEWHALE STACK

PARTNER PROGRAM GUIDE

License Service Provider (LSP)

Resell BlueWhale Stack licenses and own the commercial relationship.

OVERVIEW

What this track is

LSPs bring BlueWhale Stack to their customers as a licensed product — you register the deal, invoice locally and earn margin, while BlueWhale Stack remains accountable for the platform itself. The fastest way to add a hyperscaler-neutral platform to your catalog without taking on delivery.

Ideal for — VARs, IT resellers, distributors and cloud consultancies with an existing customer base.

WHAT'S INCLUDED

Program benefits

- Deal registration with SLA-based approval and opportunity protection
- Two-sided invoicing — receive wholesale, bill retail, with local tax handled automatically (GST / VAT / sales tax)
- Tiered margins that grow with your committed volume
- Marketplace listing and co-sell support from the BlueWhale Stack team

THE JOURNEY

From application to launch

01 Apply

Submit your company and territory details through the Partner Portal.

02 Verify & sign

Business/tax-ID verification and the LSP agreement — commercial terms and your starting margin tier.

03 Onboard to the portal

Get access: catalog browsing, deal registration and invoicing tools.

04 Register your first deal

Register a customer opportunity and get it protected while you close it.

05 Sell & invoice

Provision the tenant, invoice your customer, and BlueWhale Stack invoices you at wholesale.
