

BLUEWHALE STACK

PARTNER PROGRAM GUIDE

Strategic Partner

Operate as the official BlueWhale Stack partner for your country.

OVERVIEW

What this track is

Strategic Partners procure BlueWhale Stack licenses in advance, in volume, and operate the commercial and support presence for their territory under an exclusive or preferred arrangement. This is the deepest partnership tier — for organizations ready to represent BlueWhale Stack officially in a market.

Ideal for — National telcos, systems houses and government-facing operators able to commit to volume and represent the brand locally.

WHAT'S INCLUDED

Program benefits

- Exclusive or preferred rights to operate in an agreed territory
- Advance / wholesale license procurement at the deepest available margins
- Local legal, tax and data-residency alignment for your market
- Co-branded local marketing and joint go-to-market planning
- A dedicated BlueWhale Stack executive relationship and quarterly business reviews

THE JOURNEY

From application to launch

01 Apply & qualify

Share your territory, business case and committed volume for review.

02 Commercial & legal agreement

Negotiate the territory, pricing and license-procurement terms.

03 Enable your organization

Sales and technical certification for your local team, plus portal and marketing setup.

04 Launch officially

Go live as the named BlueWhale Stack partner for your territory.

05 Grow the territory

Joint business planning, renewal of committed volume, and expansion into new segments.

This guide is for informational purposes only and does not constitute a binding offer. It is superseded by your signed BlueWhale Stack Partner Agreement. Questions — partners@bluewhalestack.com.
